The Spotless White Cupboards of the New Hoosier Beauty

See Them

This is the "National Step Saver"—Finest and most complete kitchen cabinet ever built—Most popular cabinet in the world.

Now improved in a dozen ways with no increase in price.

The woman who gets a "Hoosier Beauty" at the Food Fair has a labor-saving machine of which she will be as proud in twenty years as she is to-day.

Note the wide cupboards, uncluttered by cubby holes or partitions—the sanitary base that can't collect dust—the trays for cooking tools on the right door—at your fingers' ends. Think of having all your kitchen tools within arm's reach, around a big table of pure aluminum. Think of the miles of steps you save.

This is "HOOSIER BEAUTY" The National Step Saver

ALL FOR \$1 CASH AND A FEW \$1 WEEKLY DUES

This offer, under the direct authority of the Hoosier Company, is too great to be missed.

This sale at these remarkably low prices is possible only because the enormous Hoosier output has made huge factory savings.
